Why didn't he call you back? Why doesn't he talk to your friends? Why does he keep putting off your dates? Now available as an ebook for the first time, He's Just Not That Into You has the answers. Now the international bestseller is re-released to change the lives of a new generation.

This is a hilarious, playful, honest explanation of male behaviour from a writer and a consultant of Sex and the City. Stop wasting your time chasing after men who aren't into you, and find men who are! Greg Behrendt provides the insight you need to move on and find them.

The idea behind 'He's Just Not That Into You' came from a conversation between Greg Behrendt and his fellow (female) SATC writers, when they asked his advice one day. This conversation became the seed of an episode which struck a powerful chord with viewers. Before long, Greg became aware that this simple phrase had the power to change women's lives.

'He's Just Not That Into You' is now a worldwide phenomenon. Over 100k copies have been sold across all editions, it has topped bestseller charts internationally, and has been made into a major Hollywood film. Now repackaged for a new generation with an eye-catching new cover, He's Just Not That Into You is essential armour for the modern woman.

Reviews

'The publishing sensation of the year.' The Daily Telegraph

'A new dating book, HJNTIY, is taking Britain by storm... The book cuts to the core of men's behaviour.' Daily Mail

'Sometimes an idea for a new book is so blindingly obvious that we think we should have written it ourselves. The concept behind He's Just Not That Into You is simple but speaks universal truth about the excuses men come up with to fob off women.' Daily Express

'This book, by the relationship consultants on Sex and the City, will be something of a godsend, as it aims to make life easier for women who want to get past the crappy get-out lines fellas use. It's wickedly hilarious, and it's sure to turn you into a stronger, better-equipped gal!' OK Magazine

'This book should be on every single woman's nightstand!...Six words to change your life forever.' Oprah Winfrey
